The Maestro

Our company founder, Domenico Pontrelli, enjoyed dressing up as a band leader and earned the nick-name "Maestro"

1920-1940s

Our company was founded in the 1920s when the Maestro opened Eastside Market Italian Deli, and our sausage became well-known.

Classic **ITALIAN SAUSAGE**

Our signature medium-coarse grind, our old-world Italian spice blend, and our time-honored tradition goes into making the same classic Italian sausages that our family has been producing for four generations.

Our Classic Italian Sausage line-up is comprised of our two most popular and famed recipes: Maestro Italian sausage, and Papa Vito's Italian Sausage with Garlic. Both are available in Hot and Mild, and Link and Bulk.

Specialty
ITALIAN SAUSAGES

Over the decades we've experimented with dozens of specialty Italian Sausage recipes--these are our favorites. Our Italian Sausage with Wine & Romano Cheese has been our family's holiday go-to for generations. Our Luganega is a mild Italian sausage that will please even the most traditionalist Italian tastes, and our Italian with Goat Milk Cheddar Cheese can only be described as a black tie event in a casing. Even our new Fennel Orange Italian Sausage makes breakfast a celebration. Your Center of the Plate has never looked so impressive.

Mexican **CHORIZO**

MAESTRO CHORIZO is produced using a consistent meat block, exclusively comprised of whole-muscle pork shoulder (picnics) and just enough pork fat trimmings to ensure the final product isn't too lean. Our traditional and fine-tuned spice blend will bring authenticity to your menu and will keep your customers coming back for more. Our recipe has been fine-tuned over many years and further refined using the discerning feedback of Los Angeles's vibrant Mexican-American community. We are proud of this authentic Chorizo recipe, that many say is the best Chorizo available on both sides of the border.
